Entry Level Field Technician
Speedway, IN – Corporate Office

Wilcox Environmental Engineering is seeking a qualified candidate to serve as a Field Technician at our Indianapolis location in the Investigation and Remediation Services Division. Qualified candidates will have a minimum of a High School diploma or related field experience. Mechanical aptitude will be an important differentiator for the successful candidate.

This position involves, but is not limited to, the following activities and responsibilities:

- Accurate collection of soil, groundwater, and vapor samples
- Timely filing of project documentation
- Data analysis and report preparation
- Schedule management
- Efficiently and responsibly using company resources

The position involves project-related overnight traveling.

Benefits

Wilcox offers a comprehensive benefits package including Short and Long Term Disability coverage, Medical, Dental, Vision, and Life Insurance, and a 401(k) plan with company match.

To Apply

Qualified candidates may send their resume with a cover letter to Human Resources at careers@wilcoxenv.com.
